Responsible comrades of the Planning Department met with McKinsey global partners
Release time: 2016/05/27
Source: Development Strategy and Planning Division

On March 26, Deputy Director of the Planning Department Yue Xiuhu met with Mr. Christopher Thomas, a global partner of McKinsey and President of Semiconductor in Asia Division. Thomas first gave a detailed introduction to China's opportunities and challenges in the development of the new economy, especially the development of the semiconductor industry, and communicated with Deputy Director Yue Xiuhu on the issue of developing the new economy and cultivating new momentum.
